

LAA INSTITUTIONAL WORKSHOPS

Offered both in-person and virtually, our workshops build faculty community and collaboration. These sessions offer individual or small group support for course transformation and include an optional site visit for mentoring in developing and sustaining your LA program.

INTERACTIVE SESSIONS DESIGNED TO MEET THE NEEDS OF YOUR INSTITUTION/COMMUNITY

BENEFITS

Both introductory and advanced content is available for sites that have (or aspire to have) an LA program. Standard workshop topics include: *Essential Elements of LA Programs*, *Transforming your Course with LAs*, *What is the Weekly Prep Meeting?*, and *Collecting and Analyzing Data*.

BUILD CONNECTIONS

Build a shared understanding of the LA model among your faculty, and how LAs fit into your unique institutional context.

CUSTOMIZATION

Workshops are tailored to fit your institutional goals, opportunities, and challenges. Learn from experienced facilitators who have built programs at a variety of different places.
