### LAA VIDEO RESOURCES

- How do you start a program?
- What are the opportunities for faculty development?
- How do I start a pedagogy course? What are possible readings?
- Where can I see video examples of LAs in weekly preparation sessions?
- Where can I see examples of different ways that I can leverage LA expertise at my institution?
- Where can I find papers about the effectiveness of the LA Model?

The LAA Resources can help you take the Essential Elements of the LA Model and craft an LA Program uniquely aligned to your institutions' needs and strengths.
